

St Luke's Celebration of Life

St Luke's cares for people aged 18 and above throughout Sheffield who have terminal illnesses. We aim to control their symptoms, alleviate pain, and give them the best possible quality of life – all free of charge.

What is Celebration of Life?

Each year, we welcome our community to join us at our Celebration of Life garden party. This year we will be hosting the event in the Clifford House Gardens. Every person who attends is invited to dedicate a daisy, join in making some crafts and have some lovely complementary drinks. It's a great time for our community to come together; and every penny raised pays for the care and support of our patients.

What will I be doing?

As a Celebration of Life volunteer you'll be ensuring that all our guests have a fantastic experience at the event and may be supporting in various roles on the day.

We are looking for friendly team members who will act as a great ambassador for St Luke's. You may also be asked to help with some setting up and closing down activities.
