Face Painting Volunteer

St Luke's cares for people aged 18 and above throughout Sheffield who have terminal illnesses. We aim to control their symptoms, alleviate pain, and give them the best possible quality of life – all free of charge.

What is Night Strider?

Night Strider is Sheffield's only walking half marathon and 10k event. On **Saturday 5 October** one thousand people will take to the streets of Sheffield to support our care for terminally ill patients and their families.

It will be an incredible night – hundreds of people illuminated with light, striding together under the Sheffield night sky – with every step helping us raise the vital funds needed to ensure we can continue providing the very best care for the people of Sheffield.

What will I be doing?

Our volunteers are so important to us - without your help we couldn't do all that we do to care for the Sheffield people who need us most. We need your support to ensure that this event is a night to remember!

As a Face Painting Volunteer you'll be painting the faces of walkers for a donation. You'll also help to contribute to the fantastic party atmosphere of the event. We are looking for friendly and outgoing team members who have some previous face painting experience.

How much time do I need to commit?

Night Strider takes place on 5 October 2019. You will volunteer from approximately 5.15pm - 7.15pm.

What support will I get?

You will be contacted by a member of the St Luke's team before the event and will be given more information about your role and what you can expect on the night. You will also receive a full briefing, and a St Luke's T-Shirt to wear, when you arrive. Your Face

Painting Manger will be on hand to support you and answer any questions that you may have. Face painting equipment will be provided.

What are the benefits?

- The atmosphere! Night strider is an amazing experience and you will get the huge satisfaction of making the event extra special for our walkers.
- You will be supporting the fantastic work of St Luke's hospice; keeping us going and improving the level of care we offer to our patients and families.
- The opportunity to meet new people and develop new skills. It is also a great introduction to the St Luke's Volunteer community.
- All travel expenses can be refunded within reason and with prior agreement.
