

Help Needed

Could you be our Donations Handler?

Here's a great way to get your 10,000 steps! We're looking for energetic volunteers to accept donations from customers and take them to our store rooms. This can include heavy items, so you will be given manual handling training as part of your induction.

Speak to a member of staff, call us on 0114 235 7548 or email volunteer@hospicesheffield.co.uk.
