Location: Based at Ecclesall Road South Site

St Luke's is Sheffield's Hospice, with a vision to support and care for everyone affected by terminal illness in Sheffield. We are a community organisation which means that everything we do is focused on helping people in their own communities as well as at our Little Common Lane site, where we support terminally ill people and their loved ones through our 20 bed In Patient Centre, a Therapies and Rehabilitation Centre and Wellbeing services such as Reiki and massage.

Our Ecclesall Road South Site is for people and their loved ones who have a palliative condition at any stage of that journey, offering relaxation and wellbeing, practical support and above all, fun! A range of activities and social events are available, as well as the opportunity to just relax in a homely atmosphere with beautiful gardens and our lovey Café.

We have been successfully running our Coach House Café for the last year and we are now looking for a new volunteer who can join our team. Demonstrating excellent customer service skills, you will provide a friendly and welcoming service for all visitors, be proactive and have good communication skills.

The purpose of the café is to provide a friendly space for clients after accessing our activities or families visiting relatives at the Inpatient Centre. It is not a commercial café open to the public at this time. Information on St Luke's support and signposting information will be available for visitors.
